General Terms: 1.1 – 1.10

1.1 Preamble

This is an agreement between you, the purchaser and licensee, and us, Polytype. By purchasing, downloading, installing, or using the digital typeface software (hereafter 'fonts'), you accept the terms of this agreement.

1.2 License & Ownership

By purchasing the licence, you become a licensed user, not an owner, of the fonts. To 'purchase a font' is simply to purchase a license to use it in accordance with this agreement. Polytype retains all copyrights to the fonts after purchase.

1.3 Transfer & Distribution

You may not sell, lease, sublicense, or otherwise assign or transfer any rights, duties, or obligations under this agreement, in whole or in part, to any person or third-party, including by merger. You may not distribute, lend, rent out, sell, give away, or share the font files for any reason not stated in this agreement.

1.4 Client Transfers

Licences are non-transferrable; the licensee is fixed at the time of purchase. If you are an agency or creative purchasing on behalf of a client, you should purchase the license in the Client's name. If you purchase it in your own name, you cannot transfer it; the Client must purchase their own license for their use.

1.5 Modifications

You are not permitted to modify the fonts using font manipulation software to create a usable font without first gaining the express written permission of Polytype to do so.

1.6 Generative AI

You are not permitted to use the fonts, or any data extracted from them, for the purpose of developing, training, or operating generative artificial intelligence or other machine learning systems.

1.7 Technical Issues & Refunds

Every care has been taken to produce our fonts to the highest standard, but technical issues can sometimes occur. If you do experience technical issues, we will do our best to resolve them. If we are unable to resolve any technical issues arising from defective fonts, you will be due a full refund on your purchase, provided you request it within the first 30 days after purchase. Any refund terminates your license to use the fonts, which must then be deleted. Refunds will be given under no other circumstances.

1.8 Liability

Polytype takes no responsibility for damage caused to a user's hardware, software, or a loss of income that may have occurred as a result of downloading, installing, or using Polytype fonts. All Polytype fonts are installed and used entirely at the user's own risk and Polytype cannot be held responsible.

General Terms:

1.1 – 1.10

-
- 1.9 Termination
Any breach of the terms of this agreement will immediately terminate your license to use the fonts. After termination of the license, you must destroy any copies of the fonts in your possession.
-
- 1.10 Governing Law
This agreement shall be governed by and construed in accordance with the laws of Scotland. Place of jurisdiction and performance is Glasgow, UK.

App Terms: 2.1 – 2.4

2.1 Scope of Use

An app license gives you the right to embed fonts into a software application (hereafter 'app').

2.2 Definition of an App

App licenses are purchased for a single app. The app name is specified by you during your purchase, and you are only permitted to embed fonts into this named app.

- Updates: When an app undergoes updates it will remain covered.

- Platforms: When an app is deployed on multiple platforms (e.g., iOS, Android, Windows, macOS), the separate deployments will collectively be regarded as a single app, so long as the deployments all share the same core function and name.

- Sequels: Sequels or distinct separate apps require a new license.

2.3 Download Limits

App licenses are purchased for a certain maximum number of lifetime downloads. This is defined as the total combined number of downloads of every deployment of the registered app since its release—not the number of downloads since purchasing the app license.

- The maximum number of downloads permitted is specified during your purchase and in your invoice.

- It is your responsibility to monitor downloads and to purchase a new license with greater coverage if the maximum number permitted is exceeded.

2.4 Restrictions

- App licenses cannot be transferred to another app without the express written consent of Polytype.

- An app license does not give you the right to use the fonts to produce printed images, static/animated digital images, digital videos, or logos, nor to embed fonts into electronic documents (a desktop license is required).

- An app license does not give you the right to install fonts onto web servers (a web license is required).

- Font files must not be converted to any other file formats than they were delivered in by Polytype.
