General Terms: 1.1 – 1.10

1.1 Preamble

This is an agreement between you, the purchaser and licensee, and us, Polytype. By purchasing, downloading, installing, or using the digital typeface software (hereafter 'fonts'), you accept the terms of this agreement.

1.2 License & Ownership

By purchasing the licence, you become a licensed user, not an owner, of the fonts. To 'purchase a font' is simply to purchase a license to use it in accordance with this agreement. Polytype retains all copyrights to the fonts after purchase.

1.3 Transfer & Distribution

You may not sell, lease, sublicense, or otherwise assign or transfer any rights, duties, or obligations under this agreement, in whole or in part, to any person or third-party, including by merger. You may not distribute, lend, rent out, sell, give away, or share the font files for any reason not stated in this agreement.

1.4 Client Transfers

Licences are non-transferrable; the licensee is fixed at the time of purchase. If you are an agency or creative purchasing on behalf of a client, you should purchase the license in the Client's name. If you purchase it in your own name, you cannot transfer it; the Client must purchase their own license for their use.

1.5 Modifications

You are not permitted to modify the fonts using font manipulation software to create a usable font without first gaining the express written permission of Polytype to do so.

1.6 Generative AI

You are not permitted to use the fonts, or any data extracted from them, for the purpose of developing, training, or operating generative artificial intelligence or other machine learning systems.

1.7 Technical Issues & Refunds

Every care has been taken to produce our fonts to the highest standard, but technical issues can sometimes occur. If you do experience technical issues, we will do our best to resolve them. If we are unable to resolve any technical issues arising from defective fonts, you will be due a full refund on your purchase, provided you request it within the first 30 days after purchase. Any refund terminates your license to use the fonts, which must then be deleted. Refunds will be given under no other circumstances.

1.8 Liability

Polytype takes no responsibility for damage caused to a user's hardware, software, or a loss of income that may have occurred as a result of downloading, installing, or using Polytype fonts. All Polytype fonts are installed and used entirely at the user's own risk and Polytype cannot be held responsible.

General Terms:

1.1 – 1.10

-
- 1.9 Termination
Any breach of the terms of this agreement will immediately terminate your license to use the fonts. After termination of the license, you must destroy any copies of the fonts in your possession.
-
- 1.10 Governing Law
This agreement shall be governed by and construed in accordance with the laws of Scotland. Place of jurisdiction and performance is Glasgow, UK.

Trial Terms: 2.1 – 2.4

2.1 Scope of Use

A trial license gives you the right to use the fonts for the purposes of trial, testing, and the evaluation of their suitability for a project.

- Internal Evaluation: You may use the fonts in the production of images, animations, and videos for the purpose of your own evaluation or for sharing privately with clients when seeking approval in the context of a creative project.

2.2 Student Work & Social Media

- A trial license gives you the right to use the fonts in the production of student work (creative work produced by students within the context of their education).
- You may publish student work or personal portfolio work (e.g., on social media or portfolio sites) created using the trial fonts, provided that Polytype is credited in the post or project description.

2.3 Users

A trial license allows the fonts to be used by up to 3 users within the same organisation.

2.4 Restrictions

- The fonts may not be used to produce any finished commercial work or final files for a client.
- A trial license does not give you the right to install fonts onto web servers for serving live text (web license required).
- A trial license does not give you the right to embed fonts into apps (app license required).
- Font files must not be converted to any other file formats than they were delivered in by Polytype.
